Discover your pathway to success.

unswglobal.unsw.edu.au
UNSW Global is a world-class organisation for international students wholly owned by UNSW Sydney. We develop and run university pathway programs in our Sydney and international campuses to help you easily transition to degrees at UNSW Sydney, and achieve your academic and career goals. Through our programs you will master the academic and English language foundations for success, and get practical experience and personal support to make the most of your studies at university.

UNSW Global offers three unique, market-leading university pathway options:

- Foundation Studies Programs
- Diploma Programs
- English Language Courses

UNSW is on Aboriginal land.
UNSW acknowledges the Bedegal, Gadigal and Ngunnawal people who are the Traditional Custodians of the land upon which our campuses stand.
While this is an uncertain time for us all, UNSW Global remains operational and dedicated to providing a world-class education for all our students. We’ve transitioned our programs to online teaching until further notice and have adapted many aspects of our campus community as possible into the virtual space. As a potential applicant or offer holder, this means you may commence your studies online and complete your degree on campus when borders reopen and travel restrictions ease.

For students located in Sydney, we have started a gradual and safe return to campus activity in line with health guidelines. As part of our phased plans, we are offering some optional on-campus learning, academic consultations and support services for specific groups of students.

For information on the special arrangements in place for students during COVID-19, including our plans to re-open our campus activity please contact us to find out more.

If you do commence your studies outside of Australia, we recommend that you apply for a student visa as soon as possible so that you are prepared to travel to Sydney once restrictions ease. If your application for a student visa is refused and you are unable to complete your program you will be granted a refund of any unspent portion of your deposit. Please see UNSW Global’s Refund and Fees Policy for further details. If you are a Diploma student, please see UNSW’s Refund Policy.

Sydney, one of the world's best cities.

Sydney downtown

Feel safe and welcome.

G'day. Hello. Hi. How's it going? Get used to Australians greeting you like this. It's how we do it here. Aussies are known for being friendly and you'll find a smile wherever you go. Plus, Sydney was ranked fifth safest city in the world in 2019.**

It's a multicultural city full of people from all over the world. So, it will feel like a home away from home, no matter where you're from. And the best bit about living in a multicultural city? The food. You can find any food you want here. There's Chinatown, Spice Alley, Little Italy and an array of fresh food markets all within easy reach.

Bring your appetite. You'll need it.

Jumpstart your career connections in the business capital of Australia.

Sydney is home to more global firms than any other Australian city. And as a gateway to Asian economies, you’ll find many valuable networking opportunities to help you stand out in the global job market.

Take a break from the books.

There’s always something fun and exciting happening in Sydney to take your mind off your studies - from concerts in the Opera House, to free events including Vivid light and musical festival, Chinese New Year celebrations and the multicultural Parramasala.

Or if you’re more into sport, there are top class sporting events including cricket, soccer, and rugby. We even have our own football here called Aussie Rules.

For the more artistic visitors, there are eclectic theatre productions, local and international music acts, and arts and culture exhibitions to keep you entertained and inspired all year round.

And if you just want a cup of coffee and a quiet place to sit, Sydney’s cafe culture is hard to beat.

Get amongst the fun in Sydney

shaton.cityofsydney.nsw.gov.au

Sydney on a budget.

On a budget? No worries. There are lots of affordable indoor and outdoor activities to enjoy in Sydney.

Pop into a free art gallery, catch a movie at the local cinema, set off on a coastal walk, snorkel or surf at the beach, or enjoy a budget-friendly lunch or dinner in one of our neighbouring suburbs.

Explore Sydney’s surroundings.

Sydney is all about the outdoors. And it’s more than just beaches.

Grab a picnic and head to one of the beautiful public parks for a barbecue with friends. Or if you’re up for a daytrip or weekend adventure, the Blue Mountains to the west of Sydney, the Royal National Park to the south or stunning Palm Beach in the north are great for a getaway. And of course, there are those beautiful beaches to the east.

Fall in love with Sydney

international.unsw.edu.au/sydney-worlds-best

*Economist Intelligence Unit’s Global Livability Index, 2019

**Economist Intelligence Unit Safe Cities Index 2019
Here's a little taste of what you'll find in Sydney.

The best bits.

- Sydney is the 9th best student city in the world. (QS Best Student Cities, 2019)
- Sydney has an average of 236 days a year with sun.
- 31.7% of Sydney’s population is born overseas.
- There are over 100 beaches in Sydney.
- There are over 250 languages spoken in Sydney.
- The Sydney Harbour Bridge is also called “the coat hanger”.
- The Sydney Opera House hosts 40 events a week.
Your pathway options for success.

Why study at UNSW Global?

If you do not meet the entry requirements for UNSW, you can choose from multiple pathway options that will help you get into a bachelor's degree at UNSW Sydney - one of the world's top 50 universities. QS World University Rankings, 2020

What is a pathway?
Pathway programs are tailored for international students and prepare you for success at University. UNSW Global pathways include Foundation Studies Programs, Diploma Programs and English Language Courses. These programs and courses are designed to give you the academic knowledge and English language skills needed to meet the entry requirements to a university degree, while making your transition into UNSW Sydney as smooth as possible.

Who is it for?
Students who want to study a bachelor's degree but have missed out on direct entry because they haven't finished high school, their qualifications are not recognised, they have not met the entry criteria, or they need some additional English tuition.

Progression to UNSW
When you successfully complete your pathway program, and meet the grade point average (GPA) and English language requirements, you will gain entry to your chosen UNSW bachelor's degree. If you are studying Foundation Studies and do not meet the GPA required to enter first year, you may have the option to complete a Diploma Program before progressing to second year at UNSW.

  Undergraduate degree, Year 1

Pathway 2

- High school
- Diploma
- UNSW Sydney
  Undergraduate degree, Year 2

Foundation Studies Programs

- Prepare for life at university in Australia
- Build your proficiency in English and academic subjects
- Create your pathway to a successful career through a UNSW bachelor's degree

Diploma Programs

- Fast-track to Second Year of your UNSW bachelor's degree
- Receive two qualifications: a Diploma and a Degree
- Study Business, Computer Science, Engineering or Science

English Language Courses

- Prepare for academic excellence
- Get a head start on your global career
- Build your English skills for entry into Diploma and Foundation Studies Programs, and UNSW bachelor's and masters degrees

UNSW Foundation Studies will help me gain direct entry into a Bachelor of Commerce/Information Systems, which will help start my career.

- Sahel Mohamed
  India
  Foundation Studies

*An English pathway may be required prior to commencing your program. For more information, see page 50. On completion of a Foundation Studies Program, if the GPA requirements are not met, students may be eligible to study a Diploma Program and then progress to second year of their chosen UNSW degree.
A supported learning experience.

As part of your pathway program, you can access a range of learning support services and online resources, designed to help you achieve your learning and personal goals at no extra cost.

Access free learning support options outside of class time

1. Weekly consultations
   Receive specialist one-on-one tutoring sessions, where experienced teachers are available every week to answer your questions.

2. Specialist workshops
   Join small group teaching sessions that are designed to help you master more challenging knowledge and skills.

3. Learning support
   In addition to UNSW’s world-class library, you’ll have access to other learning resources, assistance for independent learning as well as support from peer leaders and classmates in an after-hours Study Club.

4. Conversation club
   Enjoy a fun way to meet new friends and improve your conversation skills, which are critical for your success at university.

5. Online resources
   You’ll have 24/7 access to a host of resources including learning guides, sample assessments and study activities, via the campus Wi-Fi or at home.
Places to live.

Room to grow.

Once you have decided to live in Sydney, you’ll want to find your home away from home. UNSW has a variety of on and off campus student accommodation options to suit your needs. Live within walking distance of your classes, close to the beach and make life-long friends with your roommates from around the world.

Accommodation near UNSW

UniLodge@UNSW
UniLodge@UNSW campus is specifically designed for UNSW Global students under 18 years of age. It is a great option if you want a supported introduction to independent living, right next to UNSW.
For more information, visit unilodge.com.au/student-accommodation-sydney/unsw

UNSW New College
UNSW New College is located on the UNSW campus and is an approved accommodation provider for UNSW Global students under 18 years of age.
For more information, visit newcollege.unsw.edu.au

Urbanest
Urbanest is one of Australia’s largest student accommodation providers. Suitable for all ages, if you are a UNSW Global student under or over 18 years of age, you can stay at Urbanest’s Darling Square, Darling House or Quay Street properties.
For more information, visit urbanest.com.au/sydney

Scape
Centrally located in Darlington, Scape is one of the newest student residences in Sydney. It’s a boutique-style accommodation with an urban vibe. This accommodation is suitable for all ages.
For more information, visit scape.com/en-au/student-accommodation/sydney

Homestay
Homestay is a good option for all ages if you want to immerse yourself in local culture by living with Australians in their homes. Typically, this includes a fully furnished room, use of the home facilities, breakfast and dinner. Gas and electricity expenses are generally included in the rent.
For more information, visit unswglobal.unsw.edu.au/accommodation

To help you secure your preferred accommodation, we recommend that you apply for a place as soon as possible.

Other accommodation options (over 18 only).

Private Rental
For many this is more affordable and more flexible option for students. Costs can vary depending on location, condition and the number of rooms. Typically, costs range from A$150 - $300 per student, per week in a shared house or apartment.

Apartments
Apartments offer more of an independent style of living. There are apartments on and off-campus and costs vary depending on the number of rooms and the location.
For accommodation enquiries and assistance, please contact accommodation@unswglobal.unsw.edu.au
For more information, visit unswglobal.unsw.edu.au/accommodation

Colleges
Choose from full board, partly catered, or self-catered accommodation. There is also a range of gender-specific options including male-only, female-only and mixed. Most colleges cater for dietary requirements like halal, kosher and vegetarian.

For more information, visit unswglobal.unsw.edu.au/accommodation

Wi-Fi available in all accommodation options. Wired available in some options.
As a UNSW Global student, you are connected to the wider UNSW community: active, vibrant and diverse.

You’ll love studying at UNSW Global. When you are a UNSW Global student, you are studying on the UNSW campus with over 60,000 other students and in the heart of an active, vibrant, and diverse student community. Our classes are held across the road from the main UNSW campus and a short bus ride from some of Sydney’s famous beaches, parks, shopping centres and the city centre.

Get settled at Orientation Day

Your first day at UNSW Global is Orientation Day. You will receive your student card, class timetable and learn more about student life in Sydney. You will also enjoy lunch with your new classmates, meet teachers and take a UNSW campus tour with our Global Student Volunteers – current students who are very excited to meet you!

Enjoy a quality campus experience

On our campus, you have access to accommodation, cafés and restaurants, supermarket, banks and ATMs. Student specific facilities include libraries, the religious centre, the student support centre, UNSW fitness and aquatic centre, tennis courts and sporting fields. Health and lifestyle services including a medical clinic, optometrist, dentist, doctor and physiotherapist are also available to you.

Access to health services

You will also have access to medical and dental services at UNSW Health Services, and free, confidential consultations at UNSW Counselling and Psychological Services (CAPS).

I live near the campus, my accommodation is really close to the law library. This really supports my studies as I can stay there until late and safely get home afterwards.

- Yin Ziqi, China

UEEC

Have fun and meet new people

Take part in a wide range of activities, organised just for you by our Student Services Team. Join an introductory tour of Sydney, a student excursion to popular Sydney attractions, and attend fun sporting and cultural events.

Make local and international friends by joining Arc, UNSW’s student association. As an Arc member, you’ll have access to over 300 student clubs and societies, practise your hobbies and connect with students who share the same interests.
Friendly and supportive.
We’re here for you.

Arrival support
When you arrive at Sydney airport, you can get to your accommodation by public transport, taxi or by booking our Airport Pickup service. You can book our pickup service (for an additional cost) once you have accepted your program offer. Under 18 students must use an approved airport pickup service.

A great way to start your Sydney experience is by joining our Sydney Basics Tour – a guided tour around the beautiful city and harbour.

Feel supported
Our Student Services staff are here to answer your questions and support you throughout your UNSW Global journey. Whether you have a personal or academic issue, our Student Advisers can meet with you individually. If you need to discuss your homestay or accommodation, a member of our Accommodation team is ready to help.

Your study style
At UNSW Global, we focus on ‘blended learning’: a combination of face-to-face teaching, and online resources and support. You can access our learning technologies anytime, anywhere on campus with your own phone, laptop or tablet, through campus Wi-Fi. You also have access to outstanding libraries and computer lab facilities on the main UNSW campus.

Your dedicated Learning Support Unit offers course-specific consultations, Study Club, workshops with teachers, and our popular ‘Conversation Club’ all to help support, practice and improve your academic and English language skills.

Join a leadership program
At UNSW Global, you will have the opportunity to participate in our dynamic Leadership Program. In this program, we will inform and empower you with the skills to become a better leader while having fun and making connections with your peers. Key topics of focus include personal leadership, self-awareness, understanding and demonstrating empathy, team performance, personal branding, communication and public speaking.

Delivered as part of the Foundation Studies Program in a workshop format, our Leadership Program will give you the skills you need to become a well-rounded leader and prepare you for your future career. You will cover topics like:

• The meaning of leadership and personal leadership
• Self-awareness and personal branding
• Public speaking and communication
• Conflict management

Work in Sydney
Normally, you are eligible to work up to 20 hours a week during term and full-time during holidays on your Australian Student Visa. But check your visa rules to make sure you are allowed to work before you start looking for a job. Read the rules at immi.homeaffairs.gov.au

If you have questions about your pay and conditions at work, visit fairwork.gov.au - information is available in 27 languages.

For more information in relation to finding a job in Australia, visit study.sydney/work/finding-a-job

For more information, visit unswglobal.unsw.edu.au/student-support
Under 18 Student Care Program

Your home away from home

UNSW Global is one of Australia’s most experienced education and care providers for international students who are under 18 years of age. We have carefully selected accommodation options for you, with systems and processes in place to support your safety and wellbeing. If you are an under 18 student, we can support you with appropriate accommodation and welfare arrangements which are required before you can be granted a student visa.

Get the right support while you’re studying in Australia

To provide care that best supports your study, safety, accommodation and welfare needs, we work closely with:

- You
- Your parents
- Your teachers
- Accommodation providers
- Student Support teams
- Other service providers

The UNSW Global Student Support team is highly trained in the unique needs of younger students. Student Advisers follow a specifically designed care program to make sure that you have the best possible experience in Australia.

As a student, you’ll experience:

- A customised Orientation Program that includes specialised workshops to help you settle into your new study and home life.
- Regular one-on-one Student Adviser consultations, where you can discuss personal, enrolment and accommodation issues.
- Regular feedback on your academic progress and attendance, including communication with your teachers.
- Access to UNSW services including counselling and psychological services, UNSW social and student clubs and relevant events.

Parents will receive:

- Parent Information Sessions in English or Mandarin by our Student Advisers.
- Results and Progress Reports detailing their child’s progress and personal welfare within our Foundation Studies or Diploma Programs.
- Assurance that their child will be supported and monitored by our Student Support staff throughout the year.

How to apply for your Student Care Program

Step 1
Choose one of the below Care Arrangements options:
1. Live in Sydney with your parent/legal guardian or other relative who agrees to take care of you. If you choose this option You must first nominate the relative through the Department of Home Affairs (DHA). Visit immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500/welfare-arrangements-students-under-18
2. Apply to UNSW Global for Confirmation of Appropriate Accommodation and Welfare. With this option you will have to live in UNSW Global Approved Accommodation. You can choose to live in:
   - UNSW Global approved student accommodation (see pages 20 - 23), under additional supervision and care by our Accommodation team, or
   - a selection of UNSW Global approved homestay providers including Oz Homestay, Homestay Network, Global Experience, Study Vision, Auzzie Families, Australian Homestay Network.*

Step 2
Submit your application, your Confirmation of Appropriate Accommodation and Welfare (CAAW) form and proof of your accommodation arrangements in Sydney.

Step 3
After careful consideration we will issue a CAAW letter, confirming we have approved your accommodation and will provide support and care.

Step 4
Apply for your student visa, with your CAAW approval letter and appropriate accommodation and welfare arrangements in place. For more information, visit unswglobal.unsw.edu.au/application/under-18

*Please note there may be additional associated fees with care arrangements/guardianship, under 18 monitoring and airport pick-up.
UNSW Foundation Studies Programs

Where your Global journey starts.

UNSW Foundation Studies Programs
Provide pathways to all UNSW bachelor degree programs.

- Range from 4 to 15 months in length (based on your academic and English language background).
- Enable you to study under the instruction of experienced teachers with your international peers, in a diverse global community.
- Ensure you are supported throughout your UNSW Global experience, with extra consultations, Study Club and learning support resources. As you transition into UNSW, you’ll be perfectly placed to meet the academic demands of your chosen degree.

In Term 1 2019 UNSW Business School, Engineering and Built Environment (Architecture) were the top three Faculties that Foundation students progressed into followed by Arts and Social Sciences, Science, Art and Design, Law and Medicine.
Why complete a Foundation Studies Program

Over 85% of students from our Foundation Studies Programs progress to university.

Over 30,000 students have completed our Foundation Studies Programs, enjoying success at university and in their careers.

University experience with lectures and tutorials, for an easy transition to university learning.

Over 30 years of experience preparing students for university.

Small classes with up to 20 students per class so you receive individual attention.

Expert teachers who are committed and experienced in teaching international students, in an engaging and supportive manner.

Enjoy Foundation Studies supportive learning experience for students through:

- Assisted learning
- Academic support
- Social support

- Personalised learning
- English language support
- Ongoing Assessments
- Study clubs
- Peer support
- Social clubs and societies

Challenge Program

Challenge yourself

UNSW Global’s Challenge Program is your opportunity to practice what you have learned through Foundation Studies and apply these skills outside the classroom. Challenge Week in Terms 1 and 2 consists of five days of exciting academic, social and wellbeing activities designed to get you out of your comfort zone and help you grow. During the Challenge Program you will participate in activities that will help you:

- Test your knowledge
- Put skills learned in the classroom into practice
- Meet some amazing people and form new friendships
- Learn about the diverse city and culture of Sydney
- Develop your communication skills

UNSW Foundation Studies helped me by laying out the basic skills I needed to know and showing me how things are taught in Australia so I don’t find it too difficult to adjust when I start my degree.

Monica Andrea Macapagal
Philippines
Foundation Studies
Foundation Studies will get you there.

UNSW Foundation Studies Programs can help you meet the academic and English entry requirements for a bachelor's degree at UNSW Sydney.

The program is for you, if you:
- Have completed at least 11 years of schooling or finished high school.
- Just missed out on entry to a UNSW Sydney degree or Diploma Program.
- Want to study at UNSW.

We have a range of programs depending on your academic and English language levels. To find out which program you are eligible for, refer to entry requirements on page 56.

Foundation Studies Streams

A Foundation Studies Stream is the area of study that relates to the bachelor's degree you want to complete.

- Our streams are designed to prepare you for all UNSW bachelor's degrees.
- All streams are available in Extended, Standard and Standard Plus Foundation Studies Programs.
- The Transition Program offers the Physical Science, Life Science, Commerce, Design, and Actuarial Studies streams only. Transition students who are planning to study an Arts & Social Sciences degree should choose either the Commerce or the Design stream.

Physical or Life Science

**Structure**
- Academic English (18)
- Communication for success (2)
- Computing for Academic Purposes (4)
- Chemistry (16)
- Maths S (Science) (12)
- Physics / Biology (18)

**Popular bachelor's degree programs**
- Aviation
- Biomedical Sciences
- Engineering
- Food Science
- Health and Exercise Science
- Medical Science
- Medicine
- Optometry
- Psychology
- Science
- Technology

Total Units: 48

Commerce or Actuarial Studies

**Structure**
- Academic English (18)
- Communication for success (2)
- Computing for Academic Purposes (4)
- Accounting (4)
- Business Law (4)
- Economics (16)
- Management (4)
- Maths C (Commerce) (18)
- Maths S (Science) (12)

**Total Units:** 48 / 50

Arts & Social Sciences

**Structure**
- Academic English (18)
- Communication for success (2)
- Computing for Academic Purposes (4)
- Culture and Communications (12)
- International Issues and Perspective (18)
- Management (4)
- Maths E (Essentials) (6)

**Total Units:** 48

**Popular bachelor's degree programs**
- Arts
- Arts and Business
- Criminology
- Economics
- Education
- International Studies
- Languages
- Media (Communications and Journalism; Public Relations and Advertising Screen and Sound)
- Music
- Philosophy
- Politics
- Social Science
- Social Work
- Some Law degrees

**Total Units:** 48

**Design**

**Structure**
- Academic English (18)
- Communication for success (2)
- Computing for Design (6)
- Culture and Communication (12)
- Design (12)
- Maths E (Essentials) (6)

**Total Units:** 48

**The Transition Design stream includes 4 courses only.**

**Structure**
- Design (22)
- Academic English (18)
- Computing for Design (18)
- Management (6)

**Total Units:** 48

Diploma Program
in Business, Computer Science, Engineering or Science
12 months

UNSW Sydney
Undergraduate degree, Year 2

A UNSW Diploma in Business, Computer Science, Engineering or Science provides you with a fast track to success. The programs have been designed as an alternative path for international students who have just missed out on direct entry to a UNSW degree. Successfully completing the 12-month program will allow you to progress into second year of a UNSW Bachelor’s degree in Business, Computer Science, Engineering or Science.

As a diploma student you will:
- Gain direct entry to Second Year of UNSW’s undergraduate degrees in Business, Computer Science, Engineering or Science on successful completion of your program.
- Graduate at the same time as your friends at UNSW.
- Enjoy smaller tutorial classes and have access to additional free tutoring and consultation at no additional cost.
- Access the same facilities and resources as First Year undergraduate students.
- Earn two UNSW Sydney qualifications by the time you complete your degree - a diploma and a Bachelor’s degree.

For more information, visit unswglobal.unsw.edu.au/diploma

Scholarships
Scholarships of up to A$7,500 are available for Diploma Programs for high achieving students.

For more information, visit unswglobal/unsw.edu.au/scholarships

Diploma in Business

A Diploma in Business at UNSW is your first step to a career in business, with a direct pathway to Second Year at the prestigious UNSW Business School. Once you successfully complete a UNSW Diploma in Business, you will progress to Second Year at UNSW to study a Bachelor of Commerce or Bachelor of Economics.

No. 1 in Australia for Accounting and Finance
and 13th in the world.
QS world university rankings by subject, 2020

No. 2 in Australia for Business and Management
QS world university rankings by subject, 2020

Study
Courses which are equivalent to First Year courses at UNSW. You will also study a Communication and Academic Literacy course so you are well prepared for your further degree studies. The 12 month program is divided into three 12 week terms.

For program dates and fees see page 58.

The support students receive from teachers is what sets the Diploma program apart. There is a large amount of contact with lecturers and more opportunity to discuss content and homework. Students also have more time to complete the course than they would in the first year of an undergraduate degree.

Diploma teacher
Dr Johann-Heinrich Schonfeldt

Successfully complete a Diploma in Business and progress to second year at UNSW. Choose from one of the majors below.

Bachelor of Commerce majors

| Accounting | Financial Technology |
| Business Analytics | Human Resource Management |
| Business Economics | Information Systems |
| Finance | International Business |
| Marketing | Taxation |

Note: Diploma in Business students must achieve an average of 60% across all academic courses to be guaranteed entry to Second Year at UNSW.
If you wish to study a major not on this list you may be eligible to receive credit for courses that are common.

Diploma in Business CRICOS Course Code 102394F
Diploma in Computer Science

Take the first step in your study of the design, construction and uses of computer systems with a Diploma in Computer Science at UNSW, for a direct pathway into Second Year at Australia’s top Engineering faculty. Once you successfully complete a UNSW Diploma in Computer Science, you will progress to Second Year of a Bachelor of Science (Computer Science) at UNSW.

No. 1 in Australia for Engineering
QS world university rankings by subject, 2020 and ARWU Shanghai subject rankings 2020

No. 30 in the world for Computer Science
US News and World Report Rankings, 2020

Study
Courses which are equivalent to First Year courses at UNSW. You will also study a Communication and Academic Literacy course so you are well prepared for your further degree studies. The 12 month program is divided into three 12 week terms.

For program dates and fees see page 58.

The Diploma program offers a more personalised introduction to your UNSW degree. Small class sizes allow you to get to know your lecturers and tutors. The program runs at a slower pace than the standard first year courses, helping you to balance your study and non-study time with less pressure.

Diploma in Science CRICOS Course Code 095862A

My country’s curriculum is not included in UNSW’s accepted curriculums. By studying at UNSW Global, I received a chance to continue my studies at UNSW directly after finishing my Diploma Program in UNSW Global, which is equivalent to first-year undergraduate studies of my intended degree.

– Claudia Yelda Widjoja
Indonesia
If you want to study an academic pathway program, or an undergraduate or postgraduate degree, there’s an English course for you.

UNSW Global’s English pathway courses are designed to help you improve your skills so you can meet the UNSW English language entry requirements. They also prepare you for success at university and in your global career.

UNSW Global English Language Courses offer:
- Flexibility with a range of courses available at different levels, lengths and for a variety of purposes
- The very best preparation for academic success at UNSW, and your global career
- Testing and teacher training
- Foundation English Entry Courses (FEEC), Essential Academic English (EAE), and University English Entry Courses (UEEC) – suitable for you if you haven’t met English entry requirements for our Foundation Studies Programs or simply want to improve your English to enter a diploma or degree program at UNSW.

Which English course is for you?

**Purpose**
- Prepare for Foundation Studies
- Prepare for a diploma or degree

**Course**
- Foundation English Entry Course: See page 50
- University English Entry Course: See page 52

**Progression**
- Foundation Studies Program at UNSW Global
- Diploma Program at UNSW Global
- Degree Program at UNSW
Why study English at UNSW Global.

Our courses are delivered by Australia’s first university languages centre.

We have over 50 years of experience in language teaching.

Over 4,000 students progress through our courses each year.

Classes are delivered at the UNSW campuses, giving you access to the university facilities and social surroundings.

The English language course really helped me to develop my study skills. I was able to develop key skills that would help me at university such as the best way to format notes in the lecture.

– Meiwei Chen
China
English Language Courses
UNSW Global’s Foundation English Entry Course (FEEC) has been developed to support students with their English language skills prior to beginning their Foundation Studies Program.

**Progression**

Why FEEC?
- Successfully complete the program and progress into a Foundation Studies Program without further English testing.
- Learn from highly qualified and experienced teachers who understand your needs.
- Build a network of friends and peers before starting your Foundation Studies Program.
- Access independent learning support guided by one-to-one consultations with teachers, helping you navigate the online learning portal, and develop reading and academic skills.
- Access additional skills workshops that support success throughout the course.
- Develop a broad vocabulary and navigate studying in Australia through weekly reading and listening themes.
- Prepare for key assessments and advance to Foundation Studies through a strong skills-focus.

For course entry requirements, dates and fees see pages 56 and 59.

You will learn how to:
- Present, discuss and contribute to group work
- Take notes in lectures
- Read academic texts and develop research skills
- Write in an academic tone
- Use the appropriate grammar and pronunciation
- Develop independent learning strategies.

For more information, visit [unsglobal.unsw.edu.au/feec]
UNSW Global’s University English Entry Course (UEEC) will help you meet the UNSW English language entry requirements to undertake a diploma or degree program at UNSW. Depending on your current level of English, you may need to complete a 10, 15 or 20-week course.

**Progression**

**University English Entrance Course**

**Why UEEC?**

- Improve your academic English language, literacy and digital skills, giving you a strong head start for UNSW.
- Progress to UNSW once you successfully complete the program. On average, 90% of students’ progress to UNSW.
- Learn a range of useful skills, from research and writing processes, to accessing academic information via the UNSW online learning portal to prepare you for university assignments.
- Get an authentic university experience through lessons and tasks based on actual UNSW lectures and readings on a range of topics and issues of global importance, relevant to any discipline.
- Develop collaborative and independent learning skills during supportive and hands-on lessons.
- Receive individual feedback in weekly consultations so that you know exactly what to practise and how to improve.
- Build your confidence for university by practising communication for real situations and getting to know UNSW faculties.

For course entry requirements, dates and fees see pages 56 and 59.

**You will learn how to:**

- Give academic presentations.
- Contribute effectively and confidently to discussions.
- Read university-level text.
- Develop independent learning strategies.
- Use established academic conventions.
- Listen and process authentic lectures, discussion and media reports.

For more information, visit unswglobal.unsw.edu.au/ueec.
Scholarships.
For the brightest minds.

UNSW Pathway Scholarship*
At UNSW Global we reward academic excellence. UNSW Global offers scholarships of up to A$7,500 to high-achieving international students, to contribute to their Foundation Studies or Diploma Program.

For more information, visit www.global/scholarships

UNSW Global Academic Award*
Students who successfully complete a UNSW Global Foundation Studies Program and intend to progress to a UNSW bachelor’s degree are eligible for the UNSW Global Academic Award of up to $10,000.

For more information, visit international.unsw.edu.au/2020-scholarships

*Terms and conditions apply.

How to apply

Step 1 – Choose your degree
Decide on your preferred UNSW Sydney degree program. You must choose your UNSW Sydney degree to determine which stream you will study.

For more information on degrees available, visit unswglobal.unsw.edu.au/program-courses/unsw-degree-choices

Step 2 – Check the entry requirements
If you don’t meet the direct entry requirements for a University degree, you have the option to complete a pathway program.

What is important for you to check:
• Academic Entry Requirements
• English Entry Requirements
Choose a course or program based on the above entry requirements.

Step 3 – Prepare your documents
You will need the following certified copies of your:
• Academic Qualifications (translated into English)
• Evidence of English language proficiency (if applicable)
• Passport, visa or birth certificate

See our guidelines at unswglobal.unsw.edu.au/document-certification

Please note: If you are under 18 additional documentation will be required. For more information, visit unswglobal.unsw.edu.au/under-18-authorisation

Step 4 – Apply online
Go to unswglobal.unsw.edu.au/apply

Agents: Lodge with a UNSW Global representative in your country.
For more information on agents, visit unswglobal.unsw.edu.au/agents

Step 5 – Accept your offer
Once we approve your application, you will receive a Letter of Offer with instructions on:
• Accepting your offer
• Paying your deposit and fees

Step 6 – Apply for your visa
Once the steps above have been completed, you will receive an electronic Confirmation of Enrolment (CoE) from our Admissions team. For more information on how to apply for a student visa, visit: homeaffairs.gov.au/Trav/Stud

Step 7 – Attend Orientation and begin your studies
Orientation has been designed to set you up for success. Please remember that attendance at Orientation is compulsory for all students. You will receive more information about your specific Orientation session by email. Then you will begin your studies at UNSW Global, starting your pathway to UNSW.

For more information on how to apply, visit unswglobal.unsw.edu.au/how-to-apply

*Terms and conditions apply.
Entry requirements

UNSW Global

Before entering a UNSW Foundation Studies program or UNSW Diploma program, students will need to have reached a minimum level of Academic and English language proficiency. If students do not meet the programs direct entry requirements, they may be eligible for a UNSW Global English Entry Course prior to their academic program.

For the most up-to-date UNSW Global Academic and English entry requirements, visit:

UNSW Foundation Studies programs entry requirements
UNSW Diploma programs entry requirements

Progression to UNSW

UNSW Foundation Studies students

Students are assessed throughout each course using assignments, tutorials and laboratory sessions, semester examinations and final examinations. Students must meet the required Grade Point Average (GPA) in order to progress to a Bachelor Degree at UNSW.

For information on how to calculate your UNSW Foundation Studies GPA, visit:
unswglobal.unsw.edu.au/calculating-your-grade-point-average

UNSW Diploma Students

Diploma in Computer Science, Engineering and Science students must achieve a pass across all Diploma courses to be guaranteed entry into Second Year at UNSW. Diploma in Business students must achieve an average of 60% across all academic courses to be guaranteed entry to Second Year at UNSW.

Note: Dates are correct as of December 2020. All fees listed are indicative and subject to change in the year 2021. The fees listed on this table are in Australian dollars (AUD). Tuition fees are reviewed annually and may exceed the indicative figures listed. It is important to note that whilst tuition fees above are not guaranteed, any update to fees is effective from the start of each calendar year. Students are charged tuition at the rate corresponding to the year of the census date applicable to their enrolment in a course. UNSW Global makes every attempt to ensure that all information is current. However, UNSW Global reserves the right to amend any or all of the information above without notice in response to changing circumstances or for any other reason. UNSW Global will publish a schedule of tuition fees for all units of study that it provides or proposes to provide, on or before the earliest enrolment data for units of study, enabling students to access information about fees before they enrol.
