1. The Duolingo scores for UNSW Global are set higher than recommended on their website as we don't offer additional interviews or writing assessments with the test.
2. Duolingo scores will be accepted for all UNSW Global programs until 31 March for 2021 intakes. Applications after this date will be considered on a case-by-case basis for students affected by COVID-19.
3. Duolingo scores will only be accepted from students in those areas where Standardised Tests are not available currently, including China and Iran.
4. Students with valid IELTS, PTE, TOEFL and Cambridge scores, holding valid UNSW offers, should not use Duolingo scores to gain entry into other programs requiring higher scores.
5. If students who have been accepted on the basis of a Duolingo score appear to be incorrectly placed at a level in their pathway course, UNSW Global will reserve the right to adjust the recommended period of study accordingly.
